## HOW-TO'S

### How to Access your GWRRA Rider Education Database Training Record

The GWRRA Rider Education Database contains information regarding your Levels status and Membership expiration dates and the Rider Education classes you have completed. Your personal information; phone numbers, email and home address, also. It is the Member's responsibility, with support from the District Educator, to maintain up-to-date information in the database and to keep your Membership and Levels current.

First go to [www.gwrra.org](http://www.gwrra.org)

Hover your mouse over the Programs button. A gray colored area will drop down. Carefully move the mouse over to Rider Education.

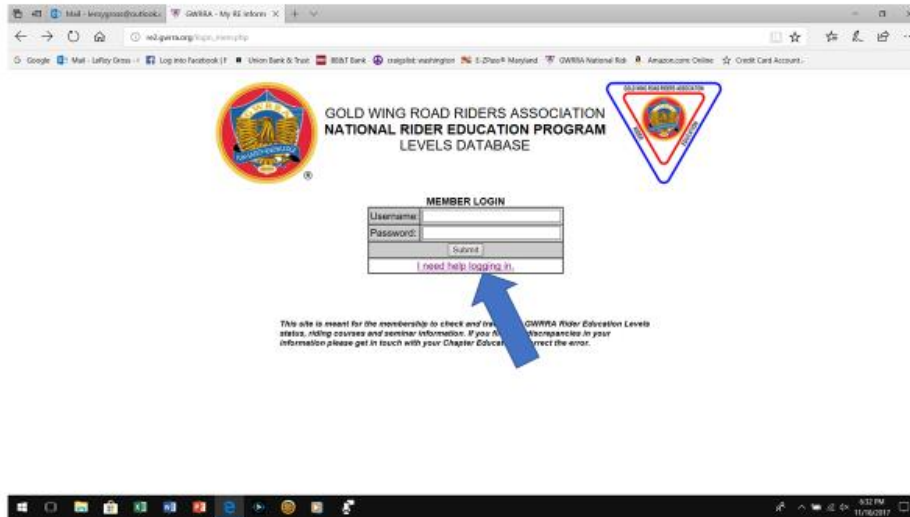

Click on the Rider Education button and the screen below will appear.

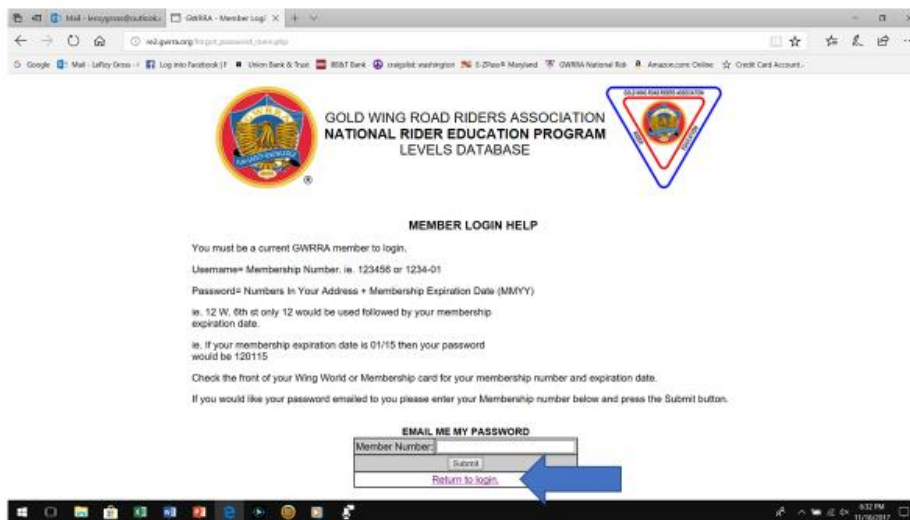

Click on the blue My R.E. Information button

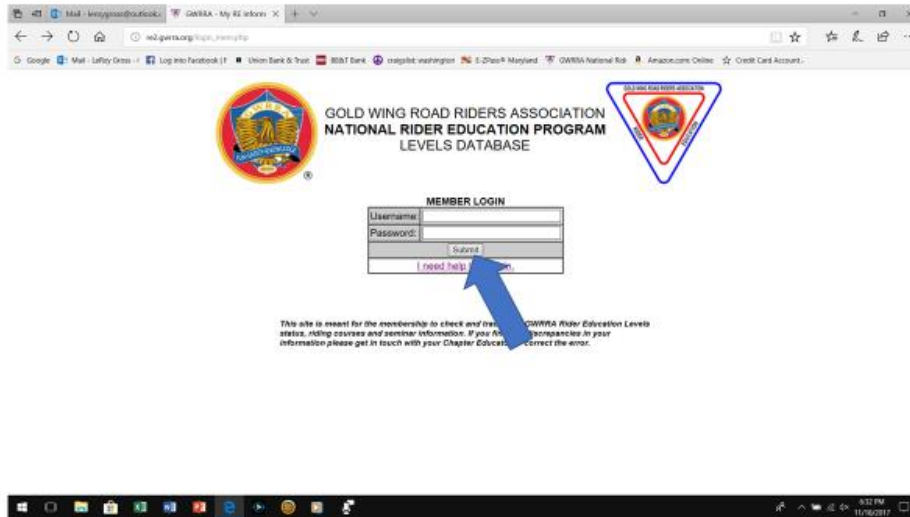

You are now on the sign on screen. You probably do not know your sign on information so click on the I need help logging in text.

Read the instructions to learn what your Username and Password are. If you do not know this information refer to your GWRRA membership card. All the necessary information is there. Now click on the Return to login text.

You are back to the login screen. Enter your Username and Password and then click the Submit button.

You will now see a list of everyone that shares your membership number. To see the training record for each person click on the View button.

This is John Wayne's training record (not really). Check to make sure that all your information is correct. Now scroll down to the bottom of the page.
