

GWRRA UNIVERSITY

HOW-TO

How Can I Participate in GWRRA?

If you are looking to be more involved in the Chapter let the Chapter Director and the other Team members know. Let them know what your background is and what education or unique skills you have in certain areas.

Sharing your knowledge supports the TEAM philosophy; **T**ogether **E**veryone **A**chieves **M**ore.

A volunteer organization is heavily dependent on its people stepping up and taking on a position, a challenge, and opportunity for growth. Chapters depend on members willing to share their talents and abilities. What Are Your Talents? Do you have talents that you feel confident using? Would you like to use these talents to benefit others in GWRRA?

Match Your Talents with Opportunities Passions

Social in nature, upbeat, outgoing, friendly

Door Greeter, Hug Collector or Sunshine Person

Safety minded, conscientious rider, likes to share knowledge and set a good example

Educator everyone's responsibility

Good with maps, directions, familiar with places of interest and good restaurants

Treasurer

Computer savvy with graphic arts and web experience
Webmaster

Inclination toward nostalgia
Chapter Historian, Scrapbook Coordinator

Leadership skills related to riding
Road Captain ride coordinator

Are you a shutterbug?
Chapter Photographer

Writing skills or simply enjoy writing
Newsletter Contributor

If you don't want to commit to a position on the Team, there are many other ways you can help:
Volunteer for the Anniversary committee, or the Holiday Party committee Chapter FUNraiser
If you take pictures at an event or on a ride you can share them with the Chapter Newsletter Editor.
Put together a skit for a talent show.

Design a Chapter shirt for the Best Dressed competition.

Chapters are always looking for new destinations for their rides. Help the Ride Coordinator with destination suggestions.

If you don't feel comfortable assuming the duties of a position or working on a committee at least be a cheerleader for the Chapter. Be positive and upbeat about plans for an activity even if you aren't going along.

You don't have to be the Chapter Director to give praise for a job well done. People like to get the pats on the back. It keeps them active and involved.

Participate with the Chapter by showing your pride. You can do this by wearing Chapter colors, shirts, hats, vests and other means of identification with the Chapter. Even by Flying a Chapter flag on your antenna. Remember the only requirement to wear any of this the officer (10" patch).

There are no rules for being a participant. Participate at whatever level is right for you. As time goes by, you may feel the need to get more involved. Remember, it is your GWRRA, after all!
